3. SCOPE OF THIS AGREEMENT

3.1 Your Card is an e-money prepaid card; it is not a credit, charge or debit card.

3.2 Your Card has been issued by us pursuant to licence from Mastercard. The Card is an electronic money product and the electronic money associated with it is provided by us and will be in Pounds Sterling. We are regulated by the Financial Conduct Authority for the issuance of electronic money (FRN 900010). Mastercard is a registered trademark of Mastercard International Incorporated. Your rights and obligations relating to the use of this Card are subject to this Agreement between you and us; you have no rights against Mastercard or its respective affiliates. If you experience any difficulties in using the Card you should contact Customer Services. The Card remains our property.

3.3 This Agreement is written and available only in English and we undertake to communicate with you in English regarding any aspect of your Card or Account.

3.4 You agree that we may communicate with you by e-mail and/or via SMS and/or App notifications for issuing any notices or information about your Account or Card and therefore it is important that you ensure you keep your e-mail address and mobile phone number updated via My Account.

3.5 If you wish to make use of an Authorised Account Information Services Provider to provide you with Account Information Services on your Account, you may do so provided that you have signed up to use My Account and your Account is active. We advise that before using an Authorised Account Information Service Provider, you ensure that the Authorised Account Information Service Provider is authorised by a Regulator to provide Account Information Services. In the UK, the Financial Conduct Authority's register (available at <https://register.fca.org.uk/>) will tell you whether a company is authorised. You must provide your explicit consent or share your My Account credentials with the Authorised Account Information Service Provider each time an access to your Account is required for them to provide you with Account Information Services. You should always consider the implications of sharing your My Account credentials and your personal information.

3.6 If an Authorised Account Information Services Provider requests access to your Account to provide you with Account Information Services using your My Account credentials, we will assume that you have given consent to do so. Please note we are obliged to provide access to your Account if it is requested by an Authorised Account Information Service Provider and can only refuse access in certain circumstances.

3.7 If we refuse to provide access to an Authorised Account Information Services Provider to your Account, we will inform you immediately after refusal to explain why, unless that would break the law or we have security reasons not to do so.

3.8 If you do not wish to use Account Information Services provided by an Authorised Account Information Service Provider on your Account, you simply refuse to provide your consent or refuse to share your My Account credentials with an Authorised Account Information Service Provider.

4. BUYING, ACTIVATING AND REGISTERING YOUR CARD

- 4.1** You may only apply for a Card if you are resident in the UK. You must be at least 13 years old to apply for a Card.
- 4.2** We will issue your Card to you on the basis of the information that you have provided. You agree to provide accurate personal information and to tell us of any changes as soon as possible so that our records remain correct. You should update any changes to your personal information by visiting MyAccount or calling Customer Services.
- 4.3** If we are unable to satisfactorily verify your identity and address from information provided by you at the time you apply for a Card we may reject your application or issue you with a Restricted Card. You will have the option to upgrade to a Full Card by providing satisfactory documentation as proof of identity and address. Also, we may require you to provide your documents within 12 months of having a Restricted Card. If you are unable to provide your documents we may block your Card.
- 4.4** As the Primary Cardholder you are responsible for all additional cards issued to your Account under this Agreement and any fees or charges that these cards may incur.
- 4.5** Your Card will be posted to your home address.
- 4.6** When you receive your Card, you must sign it immediately, and then call Customer Services to activate it. You'll need the activation code which you'll find on the letter that came with your Card.
- 4.7** You'll be given your PIN when you activate your Card. You should never reveal your PIN to anybody. We will not reveal your PIN to a third party. If you forget your PIN you can select PIN reveal option in My Account.
- 4.8** When you select or change your PIN, you must not select a PIN that may be easily guessed, such as a number that:
- 4.8.1** is easily associated with you, such as your telephone number or birth date; or
 - 4.8.2** is part of data imprinted on the Card; or
 - 4.8.3** consists of the same digits or a sequence of running digits; or
 - 4.8.4** is identical to a previously selected PIN.
- 4.9** You will be required to register your Card and set up My Account on the Website so that you are able to use the services available on My Account and via the App from your mobile phone. From your My Account you can also register your mobile phone, update your details, change your password and set up payment instructions.
- 4.10** You may be able to access certain functions of My Account via the App and from any mobile phone enabled with a web browser; standard network charges apply.
- 4.11** The App, will enable you to access certain My Account functionality online once registered.

5. USING YOUR CARD

- 5.1** Subject to paragraph 2 your Card can be used at any Merchant (fees apply, see paragraph 13). You can use the Card to make purchases in-store, via the internet or over the phone. The card can be used to obtain cash through ATMs. You will need to authorise each transaction on your Card at any Merchant by entering your PIN or other security code, if the Merchant does not accept chip and PIN authorisation, the Merchant may allow you to authorise the transaction by signature of the receipt. A transaction can also be authorised by tapping your Card against a Contactless enabled reader - you can make 5 consecutive Contactless transactions after which any Contactless transactions will be declined and you will be required to enter your PIN to authorise the transaction. We will treat the transaction as genuine if:
- 5.1.1** your Card is tapped against a Contactless enabled reader and accepted by such reader;
 - 5.1.2** your PIN or other security code personal to you is used;
 - 5.1.3** your Card is used and you authorise the transaction by signature of the receipt; or,
 - 5.1.4** the transaction was authorised from My Account or from the App while you were logged in;
 - 5.1.5** the transaction was authorised from the App which was registered to your Account.
- 5.2** Once you have authorised a payment from your Account, we cannot change or cancel it. We cannot cancel authorised payments that have not yet been processed. You may be able to cancel transactions that you have authorised for a future date (including recurring transactions) by contacting the retailer before the date on which the payment is due to be made. We may refuse to execute a transaction if the transaction is unlawful or fraudulent and/or you do not have sufficient Available Balance. If we refuse to execute a transaction, you can check the Account to ensure there was enough Available Balance to cover the transaction, or can ask us why we have not executed a transaction by contacting Customer Services. Unless the law prevents us, we will explain why and we will also tell you what you can do to correct any errors in the transaction.
- 5.3** Your Card is a prepaid card, which means that the Available Balance will be reduced by the full amount of each transaction and authorisation, plus any applicable taxes and charges, including additional ATM charges if any. You must not use your Card if the Full Deductible Amount exceeds the Available Balance. If, for any reason, a transaction is processed for an amount greater than the Available Balance on your Card, you must repay us the amount by which the Full Deductible Amount exceeds your Available Balance immediately after receiving an invoice from us. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.
- 5.4** Due to security safeguards, Merchants that accept your Card are required to seek authorisation from us for all of the transactions that you make. There are some circumstances where Merchants may require you to have an Available Balance greater than the value of the transaction you wish to make. You will only be charged for the actual and final value of the transaction you make. Merchants request this as they may need to access more funds than you initially planned to spend. For example:

5.4.1 hotels, rental cars, and restaurants - as Merchants may not be able to accurately predict how much your final bill will be, they may request an authorisation for funds greater than your Available Balance. This is called pre-authorisation. We suggest that you consider using an alternative card for pre-authorisations and that you use your Card when checking out. You will not be charged twice by the hotel.

5.4.2 internet Merchants – certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if funds are available. This will temporarily impact your Available Balance. Also please bear in mind that many sites will not deduct payment until goods are dispatched so please be aware of this when checking your Available Balance to make sure you always have sufficient funds available to cover your purchases.

5.5 Your Card cannot be used in situations where it is not possible to obtain online authorisation that you have sufficient balance for the transaction. For example: transactions on trains, ships, and some inflight purchases.

5.6 Your Card cannot be used at self service petrol pumps. You can use your Card to pay by taking it to the cashier.

5.7 Your Card should not be used as a form of identification.

5.8 Your Card may not be used for any illegal purpose or in any manner prohibited by law.

5.9 The Available Balance on your Account will not earn any interest.

5.10 We may ask you to surrender the Card at anytime for a valid reason in accordance with the provisions in paragraph 17 of this Agreement. If we do so, we will give you back your Available Balance in accordance with paragraph 9 of this Agreement.

5.11 You can also set up payment instructions on My Account to load Cards belonging to other people. It is your responsibility to ensure that all the details that you have entered are correct. Once you have set up the instructions on My Account, you will be able to amend them as necessary.

5.12 If a retailer agrees to give a refund for a purchase made using your Card, we will make the refund when we receive the funds from the retailer.

Using 3D Secure

5.13 3D Secure is a payment authentication standard for internet purchases which adds an extra layer of security when purchasing goods or services online with participating retailers. It is a form of Strong Customer Authentication. To enhance the safety of online payments, you will increasingly need to use 3D Secure to confirm it's you when you make payments online.

5.14 To use 3D Secure:

- you must have internet access;
- you must have a mobile phone;
- we must have your correct mobile phone number;
- your mobile phone must be able to receive text messages;
- your mobile phone must have the App installed.

It is important that you ensure that the personal information we hold for you (in particular your mobile phone number) is up-to-date. You can do this by contacting Customer Services.

5.15 When making a purchase online for which authentication is required, you will be brought to a 3D Secure verification screen.

5.16 You may be prompted to enter a one-time passcode (passcode) sent to your mobile phone by text message (SMS) to complete your purchase or alternatively you may be asked to verify yourself using the App. You have a set amount of time and a number of attempts to enter the passcode correctly. If you do not enter the passcode correctly, you will be unable to complete your online purchase. The passcode will only be valid for the online purchase you have received it for.

5.17 We will deem any transaction authenticated using 3D Secure as having been authorised by you.

5.18 We do not charge for 3D Secure. You are responsible for any SMS fees charged to you by your mobile phone provider.

Subject to paragraph 8.4, you can request a refund anytime within this period by contacting Customer Services. We will not return any funds remaining on the Card after six years from Card expiry and this Agreement will terminate.

8.4 If you have a Restricted Card, we are required by regulation to establish your identity before redeeming e-money from your Card.

9. REDEEMING E-MONEY

9.1 If you would like to terminate your Card and redeem any unused funds you will be charged a fee of £5 or the total Available Balance if lower than the redemption fee, if you redeem your balance at the following times;

9.1.1 before the expiry date of your Card or replacement Card;

9.1.2 before you or we terminate this Agreement prior to the Card expiry date;

9.1.3 more than 12 months after;

(i) your Card or replacement Card expires: or

9.2 You may redeem funds as long as:

9.2.1 we believe you have not acted fraudulently; and

9.2.2 we are not prohibited from doing so by any applicable law, regulation, court order or instruction or guidance of a competent regulatory authority or agency.

9.3 Our procedures may require us to carry out various checks reasonably required to prevent fraudulent use of your Card before we can process your redemption request.

9.4 If we find any additional withdrawals, fees or charges have been incurred on your Card following the processing of your redemption funds, we'll send an itemised invoice to you and we will require you to refund us immediately after receiving the invoice. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.

10. CARDHOLDER LIABILITY AND AUTHORISATIONS

10.1 We may restrict or refuse to authorise any use of your Card including transactions in any legal jurisdiction if using the Card is causing or could cause a breach of this Agreement or if we have reasonable grounds for suspecting that either you or a third party has committed or is about to commit a crime or other abuse in connection with the Card.

10.2 Where appropriate, any refusal to authorise a transaction will be relayed to you via the Merchant concerned. Where you attempt to load another Card, any refusal to authorise a transaction will be communicated to you through My Account.

10.3 You and any additional Cardholders must sign a Card as soon as it is received and keep it safe. You and additional Cardholders must also keep safe any security information or credentials related to a Card and Account.

10.4 You will be liable for all unauthorised transactions that arise from the use of a lost or stolen Card or the misappropriation of the Card if you or additional Cardholder fail to:

10.4.1 keep the Card and/or security features of the Card safe, or

10.4.2 notify us that a Card is lost or stolen.

10.5 You should never:

10.5.1 allow a third party other than additional Cardholders and an Authorised Account Information Service Provider to use or access your Account; or

10.5.2 allow another person to use your Card; or

10.5.3 write down your password(s), PIN or any security information related to your Account and Card unless you do this in a way that would make it impossible for anyone else to recognise any of that information, or

10.5.4 disclose your PIN or any security information related to your Account and/or Card, or otherwise make them available to any other person, whether verbally or by entering them in a way that allows them to be observed by others; or

10.5.5 disclose or make available your My Account credentials to a third party unless the third party is an Authorised Account Information Service Provider and you want to use Account Information Services provided by them; or

10.5.6 enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached or is operating in a suspicious manner.

10.6 You will be responsible for all transactions which you or any additional cardholder authorise, whatever the manner of such authorisation.

10.7 You will be liable for all transactions that take place as a result of you acting fraudulently or failing to comply with this Agreement with intent or gross negligence. Any such transactions and any fees and charges relating to such transactions will be deducted from the Available Balance on your Card.

10.8 It is your responsibility to keep us updated of changes to your personal details, including e-mail address and mobile number. Failure to do so may result in us being unable to contact you regarding your Account, including the provision of refunds to which you might be entitled or to let you know about changes to this Agreement.

10.9 You agree to indemnify and hold harmless, us and our distributors, partners, agents, sponsors, and service providers and their group companies from and against the costs of any legal action taken to enforce this Agreement and/or any breach of this Agreement or fraudulent use of your Card, My Account log in details, App details, or PIN by or authorised by you.

11. LOST, STOLEN OR DAMAGED CARDS

11.1 You should treat the e-money on your Card like cash in a wallet. If you lose your Card or it is stolen you may lose any e-money on it in just the same way as if you lost your wallet unless you contact Customer Services.

11.2 In the event of loss, theft, fraud or any other risk of an unauthorised use of your Card, or if your Card is damaged or malfunctions, you must contact Customer Services immediately so that we can stop your Card and PIN.

11.3 In the event that you notify us in accordance with this Agreement that your Card has been lost or stolen you will be liable for a maximum of £35 of any loss that takes place prior to you contacting Customer Services.

11.4 Provided that you have given notification in accordance with paragraph 11.2 and that paragraph 11.5 does not apply, then you will not be liable for losses that take place following the date on which you gave such notification to Customer Services. If there is an Available Balance remaining on your Card, we may replace the Card for your Account. Alternatively, your Available Balance can be redeemed to you. If we replace the Card, the Card will be delivered to your home address (fees apply, see paragraph 13).

11.5 In the event that we have reason to believe you have acted fraudulently or you have acted with gross negligence or intentionally in failing to notify us of the lost or stolen Card or you have failed to keep your Card or security information related to your Account safe or you have breached this Agreement then you shall be liable for all losses.

12. TRANSACTIONS MADE IN FOREIGN CURRENCIES

12.1 If you make a transaction in a currency other than pounds sterling ("foreign currency transaction"), the amount deducted from your Account will be converted to pounds sterling on the day we receive details of that foreign currency transaction. We will use a rate set by Mastercard, which will be available on each Working Day and changes in the exchange rate shall take effect immediately. Exchange rates can fluctuate and they may change between the time a transaction is made and the time it is deducted from your Available Balance. For transactions made within the EEA or in an EEA currency you can find out the Mastercard exchange rate by e-mailing Customer Services. We will charge an additional foreign transaction fee for all foreign currency transactions.

14.1 If you have a reason to believe that a transaction for which your Card was used is unauthorised by you or additional Cardholder or has been posted to your Account in error, you must immediately contact Customer Services, but in any event within 13 months of the date of the relevant transaction.

14.2 We will by the end of the next Working Day refund the unauthorised amount including any fees and restore your Account to the position it would have been in if the unauthorised transaction had not taken place.

14.5 You will be liable for all unauthorised transactions made from your Account(s);

14.5.1 if you or any additional Cardholders have acted fraudulently; or

14.5.2 if the transaction was made because you or any additional Cardholders have deliberately or with gross negligence failed to keep Cards or Card details safe or PIN or other security information related to Card safe; or

14.5.3 where you have failed to notify us without undue delay on becoming aware that a Card or security information related to a Card has been lost or stolen.

14.6 You will not be liable for unauthorised transactions from your Account after you have told us that a Card has been lost, stolen or compromised.

14.7 Where you have agreed that another person in the EEA can take a payment from your Account (e.g. if you have given your Card details to a retailer for the purpose of making a payment for renting a car or booking a hotel room), you can ask us to refund a payment, which we will refund to you within 10 Working Days of receipt of your request, if all the following conditions are satisfied:

14.7.1 the authorisation given did not specify the exact amount to be paid;

14.7.2 the amount that has been charged to your Account was more than you could reasonably have expected to pay, based on the circumstances, including previous spending patterns; and

14.7.3 you make the refund request within eight weeks of the date when the payment was charged to your Account.

14.8 We may ask you to provide information as is reasonably necessary to verify that conditions in 14.7.1 – 14.7.3 are satisfied.

14.9 If you ask us to make a refund under paragraph 14.7 then, within 10 Working Days of the date we receive your request (or if we ask for more information under paragraph 14.8, within 10 Working Days of the date we receive that information) we will either:

14.9.1 refund the payment in full; or

14.9.2 tell you the reasons why we do not agree to the refund.

14.10 You will not be entitled to a refund under paragraph 14.7 if:

14.10.1 you have given us your consent for the payment to be made; and

14.10.2 where applicable we (or the person or a Merchant you agreed to pay) have given you information on the payment in question at least four weeks before the due date of the payment; or

14.10.3 if the payment in question was higher than you reasonably expected to pay is due to a change in any currency exchange rate.

14.11 If funds have been paid in to your Account by mistake, we can take the funds back out of your Account and/or put a hold on the money so you can't spend it.

14.11.1 We don't have to tell you before we take the money back or put a hold on the money.
